

FANUC机器人 M-10*i*A/12S

手腕允许负载曲线图

Technical drawing of a mechanical part, showing multiple views and dimensions:

- Top View:** Shows a rectangular base with a central circular feature. Dimensions include a total width of 100, a central width of 31.5, and a base width of 20. A circular feature is labeled $\varnothing 62h7^0_{-0.080}$. A section line A-A is indicated.
- Front View:** Shows the side profile of the part. Dimensions include a total height of 100, a base height of 31.5, and a top height of 20. A circular feature is labeled $\varnothing 62h7^0_{-0.080}$.
- Section A-A:** A detailed view of the section A-A, showing a circular feature with a diameter of $\varnothing 62h7^0_{-0.080}$ and a central hole with a diameter of $\varnothing 4H7^{+0.012}_0$ and a depth of 6. The central hole is surrounded by 8-M4 holes, also with a depth of 6, distributed evenly around the circumference.
- Bottom View:** Shows the bottom profile of the part. Dimensions include a total width of 108, a central width of 45.5, and a base width of 20. A circular feature is labeled $\varnothing 62h7^0_{-0.080}$. A section line A-A is indicated.
- Detail A:** A detailed view of the section A-A, showing a circular feature with a diameter of $\varnothing 62h7^0_{-0.080}$ and a central hole with a diameter of $\varnothing 4H7^{+0.012}_0$ and a depth of 6. The central hole is surrounded by 8-M4 holes, also with a depth of 6, distributed evenly around the circumference.
